

# EXHIBITION BOOTH

## FASCIA SIGNAGE

Your fascia sign displays your company name and stand number and clearly identifies who you are amongst other exhibitors.

The sign (200 mm high) consists of a high quality brushed silver lettering on a black background. The silver lettering gives a professional but distinctive finish to your booth appearance.

Custom fascias are available at an additional cost. Please see page 30 of the Hire Catalogue for options.

## FURNITURE & EQUIPMENT HIRE

Fusion Exhibition & Hire Services has an extensive range of equipment and furniture available for hire.

Should you require equipment please email [sales@fusiondisplays.com.au](mailto:sales@fusiondisplays.com.au) to request a catalogue. Please ensure you stipulate the conference you are attending in your email.

All equipment must be paid in full prior to delivery.

## CUSTOM-STANDS

Fusion provides a full custom-stand service with qualified, dedicated cabinetry staff. This service includes design, manufacture, through to installation of the final product to the highest standard. We also cater for the ready-made stands that only require install/dismantle with transport back to their original destination of departure.

Please call to discuss your requirements in detail.

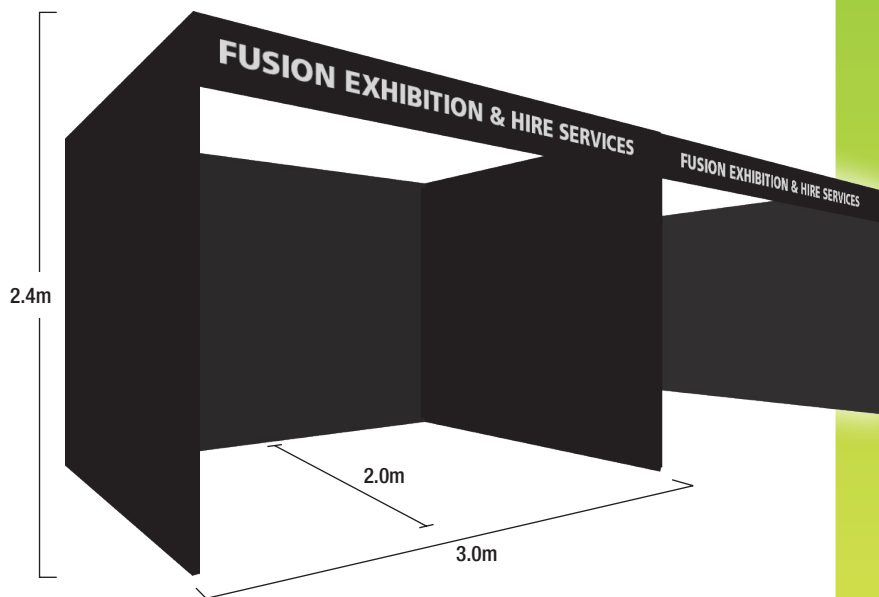

Fusion also provides Octanorm upgrade packages, see the furniture hire catalogue for details.

## DISPLAY PANEL - DO'S & DON'TS

Any damage or staining caused to display panels will be charged directly to the exhibitor at the discretion of Fusion Exhibition & Hire Services.

**Acceptable types of fixings:** Sticky back Velcro strips or dots (both male & female)

**Unacceptable forms of fixings:** Screws; staples; nails; pins; double-sided tape; oil/grease near panels

## VELCRO COMPATIBLE 3x2 BOOTH

### *Each exhibition booth contains:*

- ✓ 2.4 high velcro compatible walls
- ✓ 1 x Fascia board
- ✓ 1 x Company signage (up to 25 characters)
